Warden Pullen,

I am requesting to be considered for compassionate release pursuant to First Step Act for the following reasons:

1. The prison is failing adequately protect me from exposure to COVID-19, by first failing to test in mass. Second, by failure to actually implement the COVID-19 until separations as they claim they do.
2. I have multiple COVID-19 Co-Morbidity factors as identified by CDC to include Insulin Dependent Diabetes, and Asthma.
3. I have a release address at: 423 Bailey RD, Paramus, NJ 07652, i have employment as a CDL Truck driver and working in an auto dealership. Either of there jobs will provide me with a livable wage and medical insurance coverage. I have strong family support.
4. My offense is non-violent and white collar in nature.  
I pose no direct threat to society.

Thank you  
Bishara Richard
